Human Resources

General Policy

TELIAN COMPANY (T) LTD recruits well educated, flexible and ambitious people who thrive on change and challenge, are innovative, self-confident and accept responsibility by taking initiative and adapting to a stimulating local and international working environment.

We seek leadership traits, excellent communication skills, strong academic performance and relevant professional experience.

Previous experience in an international or multicultural environment can be very advantageous.

TELIAN COMPANY (T) LIMITED intentionally recruits people locally and from various nationalities, in order to allow for a transfer of experiences and bring people of different origins and cultures together to achieve a common goal.

The company offers highly competitive compensation packages and an excellent career development path. Our diverse workforce and multicultural environment helps our employees to balance their work and personal life. Our employees enjoy continuous learning and professional growth in a dynamic professional environment.

Equal Opportunities

TELIAN COMPANY (T) LIMITED is an equal opportunity employer and applies an Equal Opportunities Policy (EOP) for this purpose. This policy covers all aspects of employment, from advertising of vacancies, selection, recruitment and training to working conditions and reasons for termination of employment.

To ensure that this policy operates effectively we regularly monitor the working environment and take appropriate action if necessary.

Our actions are directed to immediately eliminating unlawful direct and indirect discrimination and promote equality of opportunity.

Our long term aim is that all the society groups are proportionally represented in the composition of our workforce. We set targets with a fixed timetable for hiring people belonging to groups that are underrepresented in the workforce. Where necessary, specific steps in conformance with the relevant TANZANIA legislation are taken to help disadvantaged and/or underrepresented groups to compete for jobs on a genuine equal opportunity basis. Our EOP and the measures for its implementation have been defined on the basis of advice from relevant bodies and in consultation with representatives of our employees.
